

## Flowdown Requirements for Firm-Fixed Price Contracts

### A. INCORPORATION OF FAR AND DFARS CLAUSES

The Federal Acquisition Regulation (FAR) and Department of Defense Federal Acquisition Regulation Supplement (DFAR) clauses referenced below are incorporated herein by reference, with the same force and effect as if they were stated in full text, and are applicable, including any notes following the clause citation, to this Contract. If the date or substance of any of the clauses listed below is different from the date or substance of the clause actually incorporated in the Prime Contract referenced by number herein, the date or substance of the clause incorporated by said Prime Contract shall apply instead. The Contract Disputes Act, 41 U.S.C. §§ 7101, *et seq.*, shall have no application to this Contract. Any reference to “Disputes” or a “Disputes clause” shall mean the disputes provisions of this Contract.

If a clause is inapplicable to the performance of this Order, it is self-deleting. For certain clauses, Buyer has provided ‘applicability’ language describing the circumstances under which the clauses apply to the Order. This language may not encompass all situations where the clauses apply and Seller is responsible for confirming which clauses are applicable to the Order.

### B. GOVERNMENT SUBCONTRACT

This Contract is entered into by the parties in support of a U.S. Government contract. As used in the FAR and DFAR clauses incorporated by reference below and otherwise in this Contract:

1. “Commercial Item” means a commercial item as defined in FAR § 2.101.
2. “Contract” means this Contract.
3. “Contracting Officer” shall mean the U.S. Government Contracting Officer for Air Methods Corporation’s government prime contract under which this Contract is entered.
4. “Contractor” and “OFFEROR” means the SELLER, as defined in this Contract, acting as the immediate (first tier) subcontractor to Air Methods Corporation.
5. “Prime Contract” means the contract between Air Methods Corporation and the U.S. Government or between Air Methods Corporation and its higher-tier contractor who has a contract with the U.S. Government.
6. “Subcontract” means any contract placed by the contractor or lower-tier subcontractors under this Contract.

### C. SUBSTITUTIONS

Whenever necessary to make the context of the clauses set forth below applicable to this Contract:

1. Substitute “Air Methods Corporation” for “Government” or “United States.”
2. Substitute “Air Methods Corporation Procurement Representative” for “Contracting Officer,” “Administrative Contracting Officer” and “ACO.”

**D. AMENDMENTS REQUIRED BY PRIME CONTRACT**

SELLER agrees that upon the request of Air Methods Corporation it will negotiate in good faith with Air Methods Corporation relative to amendments to this Contract to incorporate additional provisions herein or to change provisions hereof, as Air Methods Corporation may reasonably deem necessary in order to comply with the provisions of the applicable Prime Contract or with the provisions of amendments to such Prime Contract. If any such amendment to this Contract causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Contract, an equitable adjustment shall be made pursuant to the “Changes” clause of this Contract.

**E. PRESERVATION OF THE GOVERNMENT’S RIGHTS**

If Air Methods Corporation furnishes designs, drawings, special tooling, equipment, engineering data, or other technical or proprietary information (Furnished Items) which the U.S. Government owns or has the right to authorize the use of, nothing herein shall be construed to mean that Air Methods Corporation, acting on its own behalf, may modify or limit any rights the Government may have to authorize the Contractor’s use of such Furnished Items in support of other U.S. Government prime contracts.

**F. FAR CLAUSES INCORPORATED BY REFERENCE**

The following clauses from the FAR and DFARS are hereby incorporated in the Contract by reference and shall have the same force and effect as if set forth in full text. The SELLER hereby acknowledges that it has in its possession or is otherwise familiar with all of the referenced clauses incorporated herein and agrees to perform this Contract in accordance with the provisions of such referenced clauses and the other provisions of this Contract. The full text of the referenced clauses may be accessed electronically at various Internet sites, including <http://farsite.hill.af.mil> and <http://www.acquisition.gov>.
