Supplier Name: _____ confirms completion of the
OPSEC training requirements.

_____ reports that all employees currently working on government projects with access to Controlled Unclassified Information (CUI) or Classified Information have completed the mandatory annual OPSEC training. This confirmation includes not only our employees but also our subcontractor, supplier and support contractor staff currently working on any government program with access to CUI or Classified Information.

As previously communicated, when individuals begin working on a government program, the OPSEC training will be a part of the mandatory training included in the program on-boarding process.

If you have any questions regarding this communication, please contact OPSECTrainingSubmission@airmethods.com. All submissions shall be sent to this email address.
